A Message Regarding COVID-19

Dear fellow members & colleagues,

With the arrival of the COVID-19 virus in San Diego County, the health & safety of our members and their patients is always our main concern. Thus, Physician Partners has elected to postpone its community-based events until further notice. The physician mixer scheduled this evening at Genesis Healthcare Partners, as well as the Spring '20 Town Hall Meeting in April, which is held at Scripps Mercy Hospital San Diego, will be rescheduled for later dates & times that are to be determined.

Physician Partners will be sharing regular updates from Scripps Health regarding the COVID-19 virus, which also includes the steps and precautionary measures Scripps is taking to ensure the safety of its patients & facilities.

Physician Partners will soon be sending out information to membership on how to coordinate telemedicine visits for those patients that do not wish to travel to medical offices for their appointments, due to concerns that have risen about public exposure to the COVID-19 virus.

As always, please contact us with any questions that you may have.

Thank you and best regards,
Physician Partners
